REQUEST FOR RESENDING OF CORRECTED FINAL OFFICE ACTION

MS: Patent Applications
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

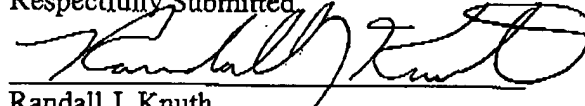

Dear Sir:

Applicant has received an incomplete Final Office Action dated September 9, 2004, in the above-identified matter. It appears that an inadvertent error was made in assembling the paperwork of the Office Action, since the Office Action Summary page does not pertain to this application but pertains to another unrelated application also assigned to Examiner Fischer, namely, application no. 09/409,567 to Hanna et al. as indicated by the application identification information. The Office Action document otherwise appears to be complete.

Applicant respectfully requests that the pending Final Office Action be withdrawn, a corrected Final Office Action be reissued (in whole), and the statutory time period for response be reset in accordance with the mailing date of the corrected Final Office Action.

If the Examiner has any questions or comments that would advance prosecution of this case, the Examiner is invited to call the undersigned at 260/484-4526.

Respectfully Submitted
